As you speak, read, and listen to native speakers, you will find yourself understanding more about how they think, live, and experience their environment.

You will truly be able to proudly say "I know how to speak real Spanish" because not only will you speak the language, but you will also understand the culture behind it.

WHAT TO EXPECT ON YOUR LANGUAGE JOURNEY

Preparing for a Spanish program abroad can be daunting. Here we have created a list of everything you need to know about studying at don Quijote.

YOUR FIRST DAY

Your first day starts at 8.00 am on Monday morning where you will be greeted at our schools. You will start your day with an oral test (written assessment test is online, which you will receive 1 week before your arrival) in order for us to place you in the correct language level and class. You will afterwards be introduced to your teacher and classmates before being greeted by the School Director during the campus and neighborhood tour. You will also receive our don Quijote Student Welcome Pack.

YOUR LANGUAGE LEVEL

Your Spanish proficiency is determined by taking a specially designed test, which you will do during your first day of school and is scored on a scale of six levels from Complete Beginner (A1) to Proficient (C2). The levels of our courses are developed according to the Instituto Cervantes curriculum (PCIC) which follows the Common European Framework of Reference for Languages (CEFR).

YOUR SCHEDULE

To ensure the effectiveness of our programs, don Quijote follows a general schedule of morning and afternoon classes. However, as part of our commitment to flexibility, we are happy to work with each student to meet their specific needs. Your timetable is structured based on the program you have chosen.

HOW WILL YOU LEARN

Our learning methodology combines classroom lessons with special interest/cultural classes, workshops, lectures and outside the classroom classes. All our programs are designed to help you learn Spanish in a fun and enjoyable way.

1

INTENSIVE SPANISH CLASSES

These regular classes are divided by levels and focused on improving vocabulary, grammar, reading, writing, listening, speaking, and pronunciation skills.

2

EXTRA DAILY WORKSHOPS

On a weekly basis, we offer additional Spanish culture and conversation workshops. These classes cover culture and current events where you will be able to gain a deeper knowledge of Spanish and focused on developing conversation and communication skills through the debate of subjects you are interested in.

3

OUTSIDE THE CLASSROOM

Learning Spanish is not just about attending classes, it is a true linguistic and cultural experience. Therefore, through different activities we encourage all our students to practice their Spanish outside the classroom while many times forging friendships that last a lifetime.

YOUR SPANISH PROFICIENCY

We guarantee continuity within all levels so that you can have a seamless learning experience with no interruptions. Every level is offered in all schools on a weekly basis which allows you full flexibility to combine destinations. After completing the program, we hand all students an attendance and completion certificate documenting their program, hours completed, and current level of proficiency achieved.

MAIKO YAMADA | JAPAN

7 HOMESTAY: SPANISH TO THE MAXIMUM!

STUDENT ACCOMMODATION

DEEPEN YOUR STUDY ABROAD EXPERIENCE

Comfortable accommodation is an essential part of your study abroad experience. We understand the importance of having quality accommodation while you study abroad. We understand that something as simple as a broken shower can ruin an otherwise perfect day and distract you from what you are here to do – learn Spanish. We're here to make you feel cozy, secure and right at home.

ARRIVAL TIME

Arrival time for all accommodation options is after 12:00 noon on the Sunday before the course starts. Accommodation must be vacated by noon on the Saturday after your course has finished. If you arrive a day earlier, or if you want to stay a day longer, get in touch with your don Quijote office to make the necessary arrangements.

100% SATISFACTION

You may change to a different family during the first week if you are not satisfied, because the most important thing for us is that you feel at home.

TOTAL INDEPENDENCE

You will always be given your own keys so that you can come and go as you please.

PERSONAL WISHES

Are you a vegetarian, allergic to house pets or would you like to be placed in a family with young children? These and other personal preferences should be communicated as soon as possible and we will do our best to comply.

FULLY EQUIPPED

In selecting host families, we do not look for luxury and comfort in the material sense. Nevertheless, you can count on personal attention, help and advice.

You should not expect too much luxury in a student apartment/flat either, although, you will of course have all the necessary amenities.

LESS THAN 30 MINUTES

Your accommodation will be located very close to your school. We have several shared apartments and residences available in most cities which are all just a 5-15 minute walking distance from the school and are all located in the best areas in the heart of the city. Host families are located a maximum of 15 minutes walking in small cities and 30 minutes in large cities from the school, either walking or by public transportation.

HOMESTAY | HOST FAMILY

LIVE LIKE A LOCAL

Staying with a host family is a wonderful opportunity to experience Spanish in a way that will make you feel right at home.

For students who want an authentic cultural experience that will help them learn new vocabulary, pick up local expressions, and become fully immersed in the Spanish culture, staying with a host family is the best choice.

Most of our host families have worked with us since the very beginning, which says a lot about us. The families know from experience what the role of a good host is. Accommodation with a host family allows you to get the most out of your program by truly integrating yourself into local life. Experiencing real Spanish life everyday will help you quickly improve your Spanish skills. The word "family" should not be taken too literally because your family could be a single parent who takes in students because he or she enjoys the company or any other type of family. Also, keep in mind that many families live in apartments/flats rather than houses. Students will have their own keys so that they can come and go as they please. Also, phone calls can be received during your homestay.

Choose from accommodation with half board (breakfast and either lunch or dinner) or full board (breakfast, lunch, and dinner). Lunch is normally around 2 p.m. and dinner is usually served around 9 p.m. Keep in mind that eating customs and cuisine may differ greatly from your regular habits.

PRIVATE PICK-UP SERVICES IN GOOD HANDS

From the airport, bus or train station

Traveling alone? Your first time living abroad? Would you feel more secure knowing that someone will be waiting at the airport to take you to your new home? You can reserve a 24-hour private pick-up service at an additional cost if you prefer to be picked up directly from the airport, bus, or train station. Just let us know in advance and we will be there!

SHARED STUDENT APARTMENT

BECOME PART OF AN INTERNATIONAL COMMUNITY

You will live with other international students in our fully equipped and furnished apartments. Students will have everything they need for a comfortable and productive stay. What better way is there to enjoy a language learning experience abroad than to stay in the company of other students just like you?

In shared student apartments/flats you share a apartment/flat with four or five other students. We always do our best to accommodate you in a student apartment/flat with students of different nationalities. However, the common language is typically English. We suggest that you reach an agreement with one another to speak as much Spanish as possible.

Although the student apartments/flats are not luxurious, they are equipped with all the basic facilities (a bed, table, chair and a closet). Each student apartment/flat has a living room, a television, a fully equipped kitchen, a washing machine and an iron. The kitchen and bathroom are shared and cleaning is the responsibility of everyone.

PRIVATE APARTMENT

This type of accommodation is ideal if you want to maintain your independence and enjoy a touch of 'luxury'. In every city, there are rooms of varying sizes and apartments from studios to multi-bedrooms. Apartments are fully furnished and equipped with a kitchen, bathroom, and all the necessary facilities. Internet access and Wi-Fi upon request. These apartments are located in the cities' most central and fashionable districts.

STUDENT RESIDENCE | HALL

FEEL AT HOME IN THE WORLD

If you are looking for an inviting and well-equipped stay just a quick walk from your classroom, our student residences may be the ideal accommodation for you. The residences normally house between 8 and 150 international university students and are all just a 5-15 minute walk from the school, located in the best areas in the heart of the city.

You will enjoy all the comforts of a hotel in a relaxed, communal environment shared with other international students. At the same time, you will have all the freedom and independence they want and need. Our residences are centrally located and you can get to all of the city's most interesting sites quickly and easily from any of our residences.

Our Spanish student residences have a youthful, international feel and offer you all you'll need in one building: laundry facilities, TV, prepared meals or shared do-it-yourself kitchens, and areas for studying and socializing. All of our student residences in Spain offer individual, shared and triple rooms, Wi-Fi, shared TV, shared living/dining rooms and washing machines. Bed linens and towels are provided.

You can choose half board (breakfast and dinner) or full board (breakfast, lunch, and dinner). Private bathroom on request at an additional cost.

CULTURAL LIFE

VIDA CULTURAL

IMMERSE YOURSELF AND ENJOY

At don Quijote we believe that learning a language is so much more than just grammar and memorization.

In order to master non-verbal as well as oral communication it is necessary to have a solid understanding of the culture. In order to achieve this, we offer complementary theoretical and practical courses and workshops in order to introduce students to a wide range of cultural activities and situations.

These cultural lessons may include movies, writing, specific discussions about communication topics, and other cultural activities such as singing or dancing.

We also organize weekend excursions to surrounding cities and attractions that vary by school and location. Additionally, the school organizes language exchanges called "intercambios" between students and native speakers to practice language skills outside the classroom.

CADIZ

CULTURE, MAGIC AND CHARM

ABOUT CADIZ

In the deep South of Spain lies the Andalusian port of Cadiz, capital of the province of the same name. Cadiz is a splendid coastal city that is almost entirely surrounded by water and famous for its perfect sandy beaches. People practically live outdoors, which makes the city lively and pleasant for strolling. Cadiz is quite Moorish in appearance and is criss-crossed with narrow cobbled streets opening onto small squares. Cadiz is also known for its famously wild Carnival celebrations which are not to be missed.

AMAZING ARCHITECTURE

ABOUT SALAMANCA

The province of Salamanca is situated in the west of Spain, bordering with Portugal. The city is large enough to be able to offer the advantages of a proper city, but at the same time it has the warmth and friendliness of a town. The Spanish that residents of Salamanca speak is often considered the "purest" form of Castilian Spanish spoken in Spain. For this reason Salamanca is enormously popular with people all over the world who want to learn its language. Contacts are made easily. You don't have to arrange to meet as you are bound to see everyone in the "Plaza Mayor", one of the finest squares in Spain and known as the living room of the "Salamantinos". While it may be tempting to keep to fellow don Quijote students, Spanish university students are everywhere and you'll encounter them everywhere you go.

You will note this university character in the appearance of Salamanca's streets and in the many pleasant cafés and restaurants. Salamanca is not just a student city, however. You will have an abundance of architecture and art to see, and plenty of opportunities to discover the surrounding countryside. ANDALUSIAN PERSONALITY

ABOUT SEVILLE

If you want to experience the folkloric heart of Spain - the scent of orange trees, the click-clack of flamenco shoes, women in bright polka dot dresses, and the heat of the Andalusian sun - Seville is the city for you. Spain's fourth-largest city and the capital of Andalusia, Seville still maintains the warmth and friendliness of a small town. To say that Seville possesses a rich history would be an understatement: it has seen the glory of the Roman Empire, the luxurious sophistication of the Moors, and the Christian "Reconquista", which eventually gave the city what is now the largest cathedral in the world. Experience a true cultural melting pot.

ABOUT **SAN JOSE**

The capital of Costa Rica is considered among the most cosmopolitan cities in Latin America. San José is nowadays a city where visitors of the entire world converge; it is a metropolis full of interesting places. Vibrant and packed with Victorian mansions, Costa Rica’s rowdy, bustling capital was built on the profits of the coffee trade and working “golden bean” plantations still surround the city. San José has the feeling of the Costa Rica of yesteryear, its customs and traditions. It has world-class museums, parks, hotels, theaters, and historic buildings. Discover San Jose and enrich yourself culturally with a long walk through its streets and squares and understand the idiosyncrasies of its people.

OUR **CAMPUS**

Our partner school in San Jose is located in San Pedro—the university district of San Jose. The neighborhood offers a great student vibe and only a short 10-minute bus ride from downtown San Jose. The school comprises 15 classrooms, a computer lab, an open-air snack bar, and very nice indoor and outdoor large common study areas which serve as a great home base to get to know other people, plan activities and practice your language skills.

WHAT WE LOVE ABOUT **SAN JOSE**

Usually viewed as a hub, rather than a destination, newly arrived tourists barely spend a day in ‘Chepe’ (which is how the locals call the Costa Rican capital) with the ‘Ticos’ from the capital. Contrary to what you may have heard, San Jose is full of surprises and there are actually a ton of fun and exciting things to do in San Jose. Try freshly roasted local beans at Mercado Central. For shinier gold, visit the Museo del Oro. Many renovated landmarks are now house stylish hotels, nightlife is concentrated in the Spanish village-inspired ‘El Pueblo’. And don’t miss the elegant 1897 National Theater.
