## Courses which integrate 21st Century skills

Learning English isn't just about learning a language. At WSE, we don't just teach English. We prepare our students for life in an international world. The intercultural skills that our students need to thrive and succeed go beyond language. Several skills have been identified as crucial to succeeding in academic study, business and life, and we incorporate these into every part of our programmes.

But perhaps the most important aspect of studying at WSE is that you will meet people from all over the world, with different lives, different families, different customs and traditions. You will explore not only UK culture, but cultures around the world. You will live, work and play together, in class, in our homestays and student houses, and on our busy social activity programme. There is no better teacher than experience and the experience you gain at WSE will give you the tools you need to manage in an international environment.

## Homestay

Homestay providers can be very different but they have two things in common: a genuine desire to welcome people into their homes and lives, and a clean and comfortable home.

Students should not expect a replica of their own home. Homestays offer a taste of Britain and students may have to adapt to different homestay environments while they are in the UK. Students should also remember that the UK has a rich history and is proud of its cultural diversity. Our homestay providers are a reflection of our society and come from different backgrounds, age groups and socio-economic groups. We do not discriminate but welcome all homestays that fit our basic criteria. London is a multi-ethnic society and some homestay providers are not of English origin but all speak English to a very high standard. We try to match students with host families and to find the right homestay for everyone.

## Superior Student Houses

We have two large Student Houses - Kings Lodge and Queens Lodge - both of which are within walking distance of the school. Here students can enjoy sharing their accommodation with other WSE students, allowing them to practise their new language skills.

1. If you decide to change your course dates, your accommodation dates or make any other changes to your booking there is a charge of £50 for each time you make a change, to cover the administration cost of making the changes. We cannot issue your new documents until we have received the £50 change of booking fee. This charge will not be due for any date changes made because of visa problems. However, if you require a visa for the UK please allow enough time for the visa application process before your course start date (normally a minimum of fifteen working days).
2. If you wish to postpone your course for any reason, for example, if you need a visa and are still waiting for the visa to be issued, you must let us know at least two weeks before you are due to arrive, otherwise you will be charged a £400 cancellation fee.
