

2024 Student Guide

YOUR ON-CAMPUS PATHWAY TO
MURDOCH UNIVERSITY

Acknowledgement of Country

Murdoch University acknowledges the Whadjuk people of the Noongar nation as the traditional custodians of this country and its waters and that Murdoch University stands on Noongar Country.

Murdoch University pays its respects to Noongar elders past and present and acknowledges their wisdom and advice in teaching and cultural knowledge activities.

Welcome to Murdoch

At Murdoch we are always learning, growing, and discovering. We actively encourage creativity and critical thinking because university is a place to truly explore your potential and create a future you are proud of.

Murdoch is a 21st century university. Our think-for-yourself philosophy has led to ground-breaking research, game-changing technological advancements, and a reputation for producing graduates who are not afraid to put their stamp on the world.

So be bold, be curious, make the decision that is right for you, and if we are fortunate enough, I look forward to welcoming you to Murdoch University soon.

Professor Andrew J Deeks
Vice Chancellor and President

Welcome to **Murdoch College**

Murdoch College, located on Murdoch University Campus, is dedicated to providing you with a highly rewarding academic experience that will help you develop the skills and knowledge you need to be successful at Murdoch University.

Murdoch College's academically rigorous programs and outstanding support offer you the best opportunity to prepare for life and studies at university, and to thrive in that environment.

With our passionate teachers and Student Success team, along with your dedication and engagement, you will be well on your way to achieving your academic and career goals.

I look forward to welcoming you to Murdoch College, in the beautiful city of Perth.

Paul Aucoin
College Director

The Murdoch difference

Ask anyone who's studied here: there's something special about Murdoch

Since we were founded in 1973, we've been committed to providing students with the kind of education which helps them to think for themselves, finding new ways to push past the status quo.

Murdoch University is a place where lecturers know you by name, and down-to-earth students wave to you across the lawn of Bush Court. We are honoured to welcome staff and students who come from all walks of life.

Our extensive range of courses and hands-on learning facilities will equip you with the skills you need and we'll take you beyond the classroom where you can think for yourself.

Welcome to our vibrant community.

Five-star rating for Teaching, Employability and Inclusiveness.

QS STARS ASSESSMENT 2024

Murdoch offers more than \$2.5 million in scholarships every year.

Number one university in WA for social equity and student to teacher ratio.

THE GOOD UNIVERSITIES GUIDE 2024

World standard or above in 81% of research disciplines.

EXCELLENCE IN RESEARCH AUSTRALIA

Why Murdoch?

IT INNOVATION HUB

LAW MOOT COURT

CHIROPRACTIC CLINIC

Nursing Simulation Suites

From your first week as a Murdoch Nursing student you will have the opportunity to experience our state-of-the-art Nursing Simulation Suites at both our Mandurah and Perth campuses. These clinical suites house fully equipped clinical teaching wards, treatment areas and simulation suites. You'll practise your skills on lifelike, high-tech mannequins with heart, lung and digestive sounds, and other realistic features.

Chiropractic Clinic

As a Chiropractic student, you'll learn to treat patients in our on-campus chiropractic clinic, which houses a rehabilitation centre, physiological therapeutics facility, consulting rooms and a digital radiographic suite.

Engineering Pilot Plant

Our nationally renowned Bayer Pilot Plant is where our Engineering technology students learn real-world skills. This engineer's playground is one of only a few in Australia and the only one of its kind in Western Australia.

The Animal Hospital and Working Farms

Our Perth campus is home to a working farm, a veterinary clinic, a fully equipped Veterinary Hospital complete with cancer and dermatology clinics, a Pet Emergency Centre and our Equine Centre with equine operating theatres.

IT Innovation Hub

Fitted out with the latest mixed and augmented reality equipment, operational data centre and high-performance computing capabilities, our IT Innovation Hub is a cutting-edge teaching, learning and research facility, specially designed for IT students.

Law Moot Court

In our Herbert Smith Freehills Moot Court, you will have the opportunity to try hypothetical cases in a courtroom environment, develop advocacy and mooting skills, and compete against other law schools from around the world.

Boola Katitjin

This new building is designed to enhance your uni experience. Tech-Enabled Learning (TEL) desks allow you to connect with any device, and AR and VR technology makes in-person learning more fun and interactive. Home to your new Student Services area, the building has support facilities and new retailers all in one place.

SimLab™

Murdoch is proud to be the first university in Australia to offer SimLab™ technology, an immersive platform that gives students the opportunity to experience, practise and improve their teaching techniques in a safe learning environment.

Sports Science Facility

Our sports science facility houses a dedicated exercise physiology laboratory, complete with a climate and altitude chamber, plus a performance laboratory with motion capture system and running track. It also includes a rehabilitation, strength and conditioning laboratory, complete with fully equipped gym with Olympic lifting facilities. It is also home to a Mind and Body Lab with a fitness testing area and a DEXA machine.

Murdoch Psychology Clinic

If your goal is to become a registered psychologist, you'll need to study an undergraduate degree in psychology and then continue your studies at postgraduate level. At postgraduate level, you may have the opportunity to work with real clients at our on-campus psychology clinic.

Media Arts Centre

As a Creative Arts or Communications student, you'll get to experience our sound stage, television and radio studios, digital post-production facilities, sound-mixing studios, digital and creation workplaces, and professional video and editing suites.

Nexus Theatre

Equipped with world-class facilities, Nexus Theatre has been providing students, staff and the Murdoch community, for the past 27 years, with a modern teaching and performance space to enjoy.

Launchpad

Based in the library, Launchpad is a place for students across all disciplines to develop skills, solve challenges with industry, explore entrepreneurship and start businesses. Take advantage of our Launchpad Academy programs, student led events, future skills workshops, 3D printers and collaboration spaces, as well as meet with experts including Entrepreneur-in-residence Jeremy Chetty and program mentors from industry and the start-up community.

We're rated five-stars for our Facilities

QS STARS ASSESSMENT 2024

Five-star rating for postgraduate learner engagement, learning resources, skills development, student support and teaching quality.

THE GOOD UNIVERSITIES GUIDE 2023

Welcome to **Western Australia**

The powerhouse of the Australian economy.

Western Australia's economy is export-oriented, with around half of Australia's exports of goods originating from the state each year, including minerals, petroleum, agri-food and specialised manufactured goods. WA also attracts many international visitors and students.

These export industries support employment across the WA economy resulting in one of the best opportunities for students to live and work part time. Thanks to WA's mining industry, the state boasts the biggest take-home pay packet of the nation.

Perth, capital of Western Australia, sits where the Swan River meets the southwest coast. It is the largest city of Western Australia and the fourth most populous city in Australia and Oceania.

46%

Western Australia accounted for 46% of Australia's goods exports in 2022-23

Western Australia accounted for the majority of the value of Australia's goods exports to China (77%), Singapore (66%) and Hong Kong SAR of China (57%) in 2022-23

Perth

63%

Western Australia's GSP (Gross State Product) per capita was \$146,423 in 2022-23, 63% above Australia's GDP (Gross Domestic Product) per capita of \$89,631

10.8%

Western Australia's population was 2.83 million in 2022, which was 10.8% of Australia's population

9%

Western Australia's gross household disposable income per capita rose 7.8% to \$60,913 in 2022-23, to be 9% (\$5,014) higher than the Australian average of \$55,899

The above information is from Western Australia Economic Profile – February 2023, September 2023 and Western Australia Export Awards 2023.

A Strong Economy

With a thriving start-up scene and an abundance of job and internship opportunities, Western Australia boasts one of the best performing economies in the world.

There are many exciting career and job opportunities available to international students studying in Western Australia. WA is classified as a regional destination, making international students eligible for valuable Work visa benefits.

To assist students in developing their career pathway, connecting with employment opportunities or securing a part-time job while studying, there are resources which provide free career support services, including career counselling, resume writing assistance, interview preparation, networking events, job listings and training modules to enhance the employability of international students and to help them succeed in the local job market.

International students can register at our Careers Centre employability portal to access our Careers Connect support.

Jobs Connect forums are also run regularly by the Department of Jobs, Tourism, Science and Innovation to connect West Australian employers with international education students to help find them the best job for their skillset.

Work opportunities

Post study work opportunities are available in Australia after successful completion of study

DEPARTMENT OF HOME AFFAIRS

Cost of Living

The day-to-day living costs in Perth for international students are lower than other major cities in Australia (and worldwide), making it an affordable destination and attractive place to live.

The prices in the table to the right are indicative. Your living costs will depend on various factors including your financial capacity, where you stay, the costs associated with your studies and other lifestyle needs and preferences.

APPROXIMATE COSTS (WEEKLY)	MURDOCH UNIVERSITY VILLAGE	HOMESTAY (CATERED)	INDEPENDENT (1 BEDROOM TENANCY)
Accommodation	AU\$176-\$409	AU\$235-\$325	AU\$250+
Utilities	AU\$0 (included)	AU\$0 (included)	AU\$35-\$140
Groceries & supplies	AU\$80-\$120	AU\$0 (included)	AU\$80-\$120
Internet/mobile	AU\$15 (internet included)	AU\$25-\$35	AU\$25-\$35
Public transport	AU\$15-\$55	AU\$15-\$55	AU\$15-\$55
Miscellaneous	AU\$55	AU\$55	AU\$55
Average weekly total	AU\$341-\$654	AU\$330-\$470	AU\$460-\$655

Experience Perth

Perth is a youthful and diverse city with vibrant a nightlife, spectacular outdoor spaces and a unique urban charm.

The capital of Western Australia, Perth is a prosperous and thriving city based on the shores of the Swan River. Making the most of the warm, dry summers and cool, wet winters, Perth residents have everything they need with a large shopping district offering a cosmopolitan mix of cafes, restaurants, pubs and thriving nightlife.

As the sunniest capital city in Australia, Perth is a cultural hub of activity, social events and weekend getaways. Known for the friendly locals that call Perth home, Perth provides a welcoming and safe environment for international students and their families.

Murdoch's Perth campus is located approximately 15 minutes from both the historic port-city of Fremantle and bustling City of Perth, making it easy for students to spend their free time exploring and participating in a range of activities and events.

The Bucket List

Elizabeth Quay

An exciting waterfront precinct on the banks of the Swan River, Elizabeth Quay is a vibrant destination with activities for people of all ages. It features the BHP Water Park, public artworks, a range of world-class bars and restaurants.

Cottesloe Beach

Boasting over a kilometre of pristine white sand and turquoise water, Cottesloe Beach is one of Perth's most popular beach destinations.

Fremantle

The historic port-city of Fremantle is renowned for its laid-back attitude, art and culture, vibrant cappuccino strip and internationally acclaimed restaurants.

Kings Park

At the foot of the CBD, Kings Park is one of the world's largest and most beautiful inner city parks that boasts rich Aboriginal and European history with sweeping views of the Swan River.

Rottnest Island

Just 20km off the coast of Perth, Rottnest Island is the perfect destination for a day away from study or a longer island vacation.

Northbridge

A buzzing hub of hip bars, fantastic restaurants, quirky boutiques and exquisite art, Northbridge is the place where Perth comes alive. With the Perth Cultural Centre at its heart, there is always something to do in Northbridge.

Perth: The gateway to the world

Not only does Perth share one of the most populated time zones in the world, but it's connected to Asia and Europe by a number of airlines.

- ↗ Beijing (12 hours)
- ↖ London (17 hours)
- Sydney (4 hours)
- Melbourne (3.5 hours)

Introducing Murdoch College

Your on-campus pathway to Murdoch University

Murdoch College supports students from around the world take their first steps towards tertiary study at Murdoch University. Our dedicated team is here to help you throughout your studies, to ensure a learning experience that will take you on to success at the University and beyond.

We place a special focus on student care, flexibility and safety. As the only pathway college on university grounds, at Murdoch College you will be able to experience campus life while accessing world-class facilities.

Your pathway options

Study on Campus

Experience university life right from the start with all classes held at Murdoch University's Perth campus. Murdoch College students are part of the university community from day one and have access to a range of facilities and services.

While on campus, you will connect with University students to gain a better understanding of what studying in Australia is really like.

Direct Entry Pathways

It's never been easier to get into the degree you want. Murdoch College offers you a pathway into a range of Murdoch University degree programs. Graduate from our Foundation Studies program, or Murdoch University Preparation Course and move straight into the first year of your chosen degree, or complete a Diploma and start in the second year of a bachelor's degree. For students who have completed higher levels of study, our Postgraduate Qualifying Program offers a pathway into a range of master's degrees.

Preparation Oriented Learning

At Murdoch College we take a complete approach to university preparation. We don't just consider what you're learning, we also help you develop the skills you need to be successful in your studies.

You will experience a university-style course structure of lectures, tutorials and seminars. Just like university students, you'll be assessed through exams, coursework, assignments and group tasks. You will develop study techniques over the duration of your time at Murdoch College, so by the time you're at university, you will have the skills to be proactive and independent in your study.

National Accreditation

Our Diploma programs are nationally accredited by the Tertiary Education Quality and Standards Agency (TEQSA) and are Australian Qualification Framework (AQF) recognised.

Academic Support

At Murdoch College we want you to get the most out of your studies so you can go on to the degree or career that's right for you. To help you do your best, we will provide you with ongoing support in the following areas:

- Study pathways course and unit selection
- Study skills and independent learning
- Examination techniques and personalised study plans
- Career choices and academic pathways

Personal Support

Being a student can be difficult sometimes, particularly when you are far away from home. If you are having a hard time missing friends and family or you're struggling with your workload, the Murdoch College Student Support team offers caring and confidential assistance with any situation that is impacting your studies.

Individual Attention

Our experienced and qualified academics care about the personal growth and success of every student. Benefit from our small class sizes where you will receive individual attention and focused support as you prepare for university life.

Packaged Enrolments

Murdoch College and Murdoch University offer packaged enrolments for international students. This means that you initially apply to both Murdoch College and Murdoch University at the same time. When you successfully graduate from Murdoch College, you are guaranteed direct entry into Murdoch University without having to reapply.*

**Subject to meeting university progression requirements.*

Foundation Studies

Quick Facts

Duration:	2 trimesters (15 weeks per trimester)
Intake Dates:	June and Oct 2024
English Entry Requirements:	IELTS 5.5 overall (no band less than 5.0)
Academic Entry Requirements:	Completion of Australian Year 11 or equivalent (see Academic Entry Requirements page 18)
Study Load:	8 hours per core unit per week, plus 6 hours per elective unit per week
Program Fee:	\$25,560 (international) \$11,880 (domestic)
CRICOS Course Code:	093279K

Why study Foundation Studies with us?

Foundation Studies prepares you for successful transition to degree-level study, providing a pathway to the first year of study of a bachelor degree at Murdoch University. This program has been specifically designed for international students.

Pathway to any Degree

This course is suited to you if:

- you need an entrance qualification for Murdoch University
- you want to accelerate your university preparation after Year 11, or equivalent
- you want to change your degree stream after Year 11, or equivalent

On successful completion* of your Foundation Studies program, you'll gain entry to the first year of most undergraduate degrees at Murdoch University, with the exception of Veterinary Science, Nursing and Education. Veterinary Science can be accessed through the Bachelor of Agricultural Science (Animal Science).

**A higher requirement and specific subject scores are required for Law.*

Structure and Pathway

In the Foundations Studies program you will complete eight units over two study periods, studying a combination of core and elective units. The units you undertake will be determined by your chosen degree. Each unit of study builds concepts from an introductory level through to university entrance level. The units are designed to develop your learning techniques as well as bridging gaps in your academic knowledge.

Foundation Studies Pathway

Foundation Units

You will study eight units depending on your bachelor degree at Murdoch University. All students must complete the two English units and units from the other Discipline Groups depending on your Bachelor Degree.

ENGLISH	MATHEMATICS	SCIENCE AND TECHNOLOGY	THE ARTS	BUSINESS AND LEGAL STUDIES
Essential Australian Studies	Introductory Mathematics	Information Technology for Academic Studies	Introduction to Media	Accounting
Introduction to Academic Communication	Mathematics for Science	Computer Science	Media Production	Management
		Physics		Economics
		Chemistry		
		Biology		

Murdoch University

Preparation Course

Quick Facts – Standard Course

Duration:	3 trimesters (15 weeks per trimester)
Intake Dates:	Feb 2024
English Entry Requirements:	IELTS 5.5 overall (no band less than 5.0)
Academic Entry Requirements:	Completion of Australian Year 11 or equivalent (see Academic Entry Requirements page 18)
Study Load:	8 hours per core unit per week, plus 6 hours per elective unit per week
Program Fee:	\$25,560 (international) \$11,880 (domestic)
CRICOS Course Code:	069100D

Why Study a Murdoch University Preparation Course?

Our Murdoch University Preparation Course (MUPC) is very similar to the Foundation Studies Program however it has 2 variations — a **standard course** delivered over 3 trimesters and made up of 9 units and an **accelerated** version made up of 4 units and delivered over 1 trimester.

MUPC students study the same units as Foundation Studies students with a reduced study load to support their progression. Entry requirements, fees and articulation requirements for the MUPC course are the same as those for a Foundation Studies course.

The standard variation of our MUPC is a 9-unit course which is delivered over 3 trimesters and gives students the time they need to develop the necessary skills to succeed in their university studies.

The program is suited to you if:

- you don't have the high school results for you to gain entry to your chosen bachelor degree
- you want to change your degree stream
- you need to increase your chances of entering highly competitive courses at Murdoch University

MUPC (Accelerated) has been designed for students who narrowly missed the direct entry requirements for the degree program of their choice and provides them with the opportunity to improve their academic knowledge, and English language skills to enter university via a course which is appropriate to their previous level of study.

Murdoch University Preparation Course Pathway

or

Murdoch University Preparation Course (Accelerated) Pathway

Quick Facts – Accelerated Course

Duration:	1 trimester (15 weeks)
Intake Dates:	Feb and Oct 2024
English Entry Requirements:	IELTS 5.5 overall (no band less than 5.0)
Academic Entry Requirements:	Completion of Australian Year 12 or equivalent (see Academic Entry Requirements page 18)
Study Load:	8 hours per core unit per week, plus 6 hours per elective unit per week
Program Fee:	\$12,780 (international) \$5,940 (domestic)
CRICOS Course Code:	069100D

Your pathway to **Veterinary Science**

Why study **Veterinary Science** at Murdoch University?

Western Australia's only Veterinary Science course provides the opportunity to develop the knowledge, skills and practical experience necessary to solve the existing and emerging problems of our companion animals, livestock and wildlife.

With a science-based approach and hands-on experience this course prepares you for the highest standard of work in the veterinary industry.

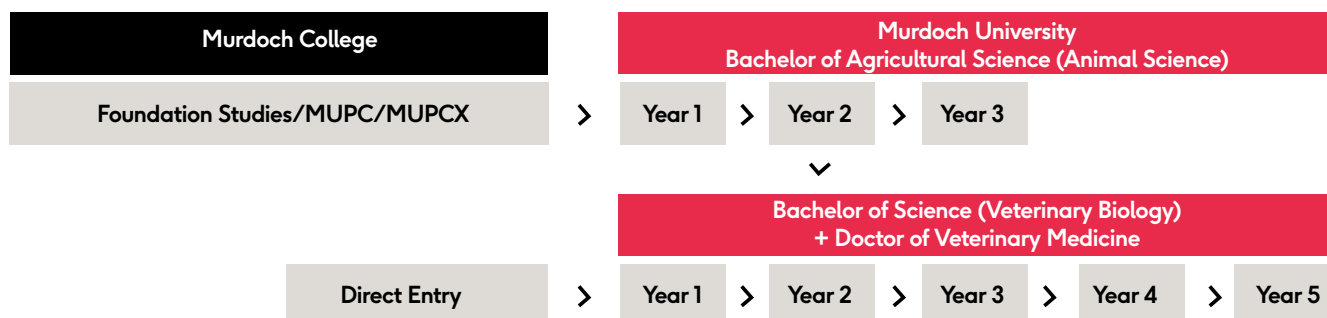

To become a qualified veterinarian, you will need to complete the Bachelor of Science (Veterinary Biology) + Doctor of Veterinary Medicine degree over five years. Direct entry to this degree is extremely competitive and while possible most students would seek an alternative pathway to this qualification.

Students who successfully complete the Murdoch College Foundation

Studies Program, Murdoch University Preparation Course or the Murdoch University Preparation Course (Accelerated) can gain admission to the Bachelor of Agricultural Science (Animal Science). On successful completion of the first year of this degree students can progress, with advanced standing to the Bachelor of Science (Veterinary Biology) + Doctor of Veterinary Medicine.

How to enter Veterinary Science from a pathway program?

Packaged offer with Bachelor of Agricultural Science (Animal Science)

Students who do a year of the Bachelor of Agricultural Science (Animal Science) before transferring to Vet Science perform just as well as (or better than) students who start Vet Science directly.

3 reasons to study Veterinary Science at Murdoch

1. Our veterinary science course is accredited with leading associations around the world, including the Australasian Veterinary Boards Council Inc, American Veterinary Medical Association and the Royal College of Veterinary Surgeons.
2. Learn real-world skills in our state-of-the-art facilities that include veterinary teaching hospitals, clinics and a working farm, all located on the Perth campus.
3. Extend your experience with all species of animals by completing placements with animal shelters, the Perth Zoo and a wide range of farms and veterinary practices, both in Australia and internationally.

Why choose Murdoch College?

- Study on-campus and enjoy a supportive and friendly transition to the university learning environment.
- Access university facilities and receive guidance from our academic advisors.
- Build a strong foundation for academic success and focus on the subjects you'll need to succeed in this highly competitive degree.
- Participate in Murdoch College workshops specifically designed to help you gain the voluntary animal handling experience required to gain admission to the Bachelor of Science (Veterinary Biology) + Doctor of Veterinary Medicine.

Minimum requirements to transfer to Bachelor of Science (Veterinary Biology) + Doctor of Veterinary Medicine

To transfer to the Bachelor of Science (Veterinary Biology) + Doctor of Veterinary Medicine from the Bachelor of Agricultural Science (Animal Science) you'll need the following.

- Minimum of 1 year (full-time equivalent) or 21 credit points (or equivalent) of the Bachelor of Agricultural Science (Animal Science).
- Minimum of 35 hours of veterinary-related experience, i.e. work experience with a veterinarian.
- Minimum academic performance: tertiary GPA >2.5 (out of 4) or >5.5 (out of 7) during your B Agricultural Science.
- Completion of the BSC/DVM Admissions Statement and associated declarations
- Completion of Casper assessment. Casper is an open-response situational judgement test (SJT) that evaluates social intelligence and professionalism.

Your future career

When you graduate you will be prepared for a career in animal health related fields, with animals of all species and sizes. You could work in primary care or emergency hospitals, in small animal practice, in large animal or mixed practice, or as a government veterinarian. Careers could include:

- Veterinary Clinician in private practice or academia
- Industry Consultant in agriculture, equestrian sport, animal welfare, animal behaviour
- Government Veterinarian, working on biosecurity, food security, herd disease and management
- Researcher in all aspects related to animal health and welfare, including animal models of disease

You could undertake specialist training in a wide range of clinical disciplines such as surgery, medicine, pathology, reproduction, or dermatology.

Diploma of Business

Why Study a **Diploma of Business**

This Diploma provides a pathway to your further business career. Upon successful completion of the Diploma of Business, you will progress into the second year of a Bachelor of Business degree at Murdoch University.

Our **Diploma of Business** is an 8-unit course taught over two or three trimesters. It has been designed as a pathway to a Bachelor of Business degree for domestic and international students. It will equip you with an AQF Level 5 qualification, which helps you launch a career in a variety of business areas with confidence, or improve your employability for career advancement opportunities.

You will need to complete 5 core and 3 elective units in this course. You can start the diploma course in any trimester during the year. This diploma course is delivered full-time for international students and part-time option is available for domestic students.

Upon successful completion of the **Diploma of Business**, you will receive 24 credit points and progress into the second year of a Bachelor of Business degree at Murdoch University.

This course is suited to you if you:

- don't have the desired results to gain entry to your chosen Bachelor of Business degree
- launch a career in a variety of business areas with a nationally recognised qualification
- improve your employability to advance your career.

What will you learn?

This course will improve your employability and help you develop the following skills which are sought after by employers:

- Interpersonal & people skills
- Communication & teamwork skills
- Organisation & planning skills
- Adaptability & resilience
- Reliability & motivation
- Critical thinking & problem solving
- Digital literacy

Diploma of Information Technology

Quick Facts

Duration:	2 or 3 trimesters (15 weeks per trimester)
Intake Dates:	Feb, Jun and Oct 2024
English Entry Requirements:	IELTS 5.5 overall (no band less than 5.0)
Academic Entry Requirements:	Completion of Australian high school Year 12 with an ATAR of 50, or international equivalent
Study Load:	4 hours per unit per week
Program Fee:	\$26,000 (international) \$15,000 (domestic)
CRICOS Course Code:	113488J

Why Study a Diploma of Information Technology?

This Diploma improves your understanding of how information technology is embedded in business and society, and provides a pathway to further your IT career. Upon successful completion of the Diploma of Information Technology, you'll be guaranteed entry into the second year of a Bachelor of Information Technology (Business Information Systems) degree at Murdoch University.

Our **Diploma of Information Technology** is an 8-unit course taught over two or three trimesters. It has been designed as a pathway to a Bachelor of Information Technology degree for domestic and international students. It will also equip you with an AQF Level 5 qualification, which helps you launch a career in a variety of IT areas with confidence, or improve your employability for career advancement opportunities.

You will need to complete 7 core units and 1 elective unit in this course. You can start the Diploma course in any trimester during the year. This Diploma course is delivered face-to-face, full-time for international students and part-time option is available for domestic students.

Upon successful completion of the **Diploma of Information Technology**, you'll be guaranteed entry into the second year of a Bachelor of Information Technology (Business Information Systems) degree at Murdoch University.

This course is suited to you if you:

- don't have the desired results to gain entry to your chosen Bachelor of Information Technology degree
- launch a career in a variety of IT areas with a nationally recognised qualification
- improve your employability to advance your career.

What will you learn?

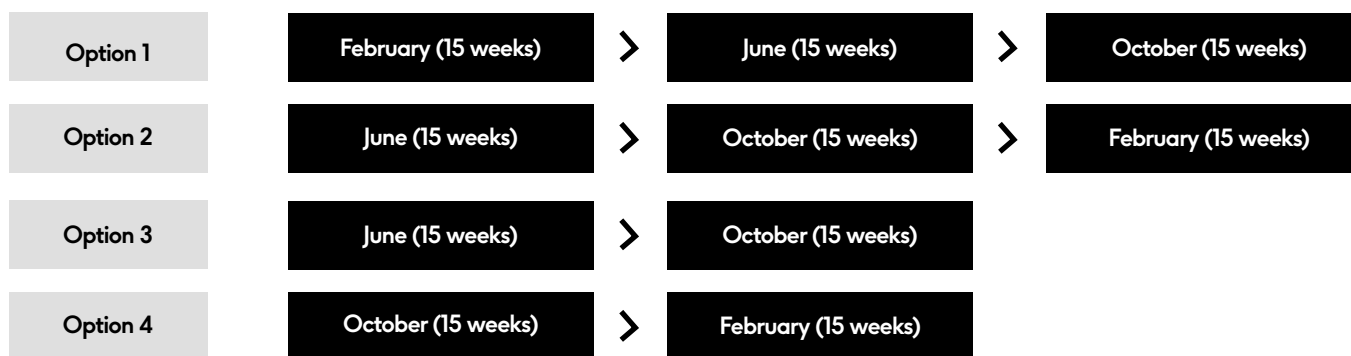

This course will improve your employability and help you develop the following skills:

- Applying a range of technological and programming concepts and tools to identify business opportunities
- Reporting technological problems, solutions and outcomes to diverse stakeholders clearly and effectively
- Explaining how business problems can be solved with the aid of technological methods and tools
- Apply ethical, privacy and information security frameworks regarding technology

Diploma of IT

- Introduction to Cyber Security

Elective units

- IT Project Management
- Foundation of Discrete Mathematics

Where could it take you?

This Diploma creates further educational and employment opportunities for you. Upon successful completion of a Diploma of Information Technology, you will receive a nationally recognised AQF Level 5 qualification, which opens a wide range of opportunities for you to work in organisations of all sizes. You can also use this Diploma as a pathway to further learning and progress into the second year of a Bachelor of Information of Technology degree (Business Information Systems) at Murdoch University.

With a Bachelor of Information Technology, you could pave your way into an IT position within a global corporation or government agencies, or embark on a fulfilling career with not-for-profit organisations. You can delve into various fields, such as consultancies, games, resources and mining, legal, banking and financials, health, education, simulations (including vehicle simulations), aerospace, defence and security.

Successful completion of the Foundation Studies/ MUPC and MUPCX courses with a final mark of 50% or higher in all subjects will meet entry to Murdoch University Bachelor Award Courses with entry requirements of ATAR 70 or equivalent.

*Successful completion of the Foundation Studies/ MUPC and MUPCX course with a minimum average final mark of 78% or higher and a minimum score of 70% in "Introduction to Academic Communication" to meet entry to Murdoch University Bachelor of Laws (LLB).

Please be aware that some Murdoch University courses such as the Bachelor of Nursing / Education only accept specified English proficiency tests. This information is to be used as a guide only as some Murdoch University courses may have changed.

S1, S2, T1, T2 and T3: Murdoch University operates both semester (S1 and S2) and trimester (T1, T2 and T3) teaching periods.

Postgraduate Qualifying Program

Quick Facts

Duration:	1 trimester (14 weeks per trimester)
Intake Dates:	Jan, Apr and Sep 2024
English Entry Requirements:	IELTS 5.5 overall (each band 5.0 or above)
Academic Entry Requirements:	An Advanced Diploma/Associate degree or equivalent (AQF Level 6 equivalent qualification)
Study Load:	4 hours per unit per week
Program Fee:	\$13,300 (international) \$12,200 (domestic)
CRICOS Course Code:	111519A

Why Study a Postgraduate Qualifying Program?

Our Postgraduate Qualifying Program is a pathway to a master's degree for international students who don't meet the entry requirements. You can start the program in any trimester during the year. You may extend your program period if you fail a unit and need to re-enrol.

What will you learn?

You will need to complete five units in the Postgraduate Qualifying Program (PQP). These five units are designed to develop your learning techniques, bridge gaps in your unit knowledge, and prepare you for your master's studies at the University.

- PQP001 Academic English
- PQP002 Study and Research Skills
- PQP003 Critical Thinking Skills
- PQP004 Quantitative Studies
- PQP005 Intercultural Studies

To progress to your desired master's degree at the Murdoch University, you will also need to meet the following requirements:

- Successful completion of this program with a minimum exit grade of 65% (Credit Pass). In addition you'll need a Credit Pass for PQP002 Study and Research Skills and a pass or higher in every assessment task in PQP001 Academic English.
- Successful completion of this program with a 50% (Pass) or higher grade in the remaining subjects.

Where could it take you?

After successful completion of this program, you will progress into one of the following Master's degrees in Murdoch University.

- M1279 - Master of Business Administration (Global)
- M1274 - Master of Professional Accounting (Advanced)
- M1220 - Master of Information Technology
- M1289 - Master of Business Administration/Master of Information Technology
- M1314 - Master of Criminology
- M1214 - Master of Sustainable Development
- M1212 - Master of Community Development
- M1195 - Master of Development Studies

Murdoch University Preparation Course (Accelerated) Pathway

English Language Pathways

General English

Delivered by highly qualified and experienced English language teachers in a small-class setting, our **General English** course is designed to improve your core skills in reading, writing, listening and speaking. Students will graduate with the ability to communicate in English with confidence in everyday situations and feel prepared to take on further academic study in Australia.

English for Academic Purposes

Our **English for Academic Purposes** course will provide you with an IELTS-free pathway if you meet the academic, but not English language requirements for entry into Murdoch University. It focuses on the various reading, listening, study skills and strategies necessary for success in academic contexts.

It will also help to develop your vocabulary and grammar, particularly key academic skills of discussion and presentation. Murdoch College offers a flexible teaching structure that is tailored to your future study choices. If you plan to study a Foundation Certificate, Murdoch University Preparation Course, Diploma or Postgraduate Qualifying Program, then you'll complete our English for Academic Purposes 1 (EAP1) course, with an entry of IELTS 5.0 overall. If you are preparing to enter university directly, you'll complete English for Academic Purposes 2 (EAP2), with an entry of IELTS 5.5 overall.

Here are some of the skills you can expect to develop across these four key areas:

- **Speaking** — Giving presentations, participating in seminars and tutorials, working in groups.
- **Listening** — Listening to lectures, note-taking techniques, listening skills practice.
- **Reading** — Strategies such as skimming and scanning, understanding assignment questions, coping with extended reading.
- **Writing** — Learning to construct paragraphs, essays, reports and summaries, analyses of numerical data and case studies, research and referencing techniques.

General English Pathway

English for Academic Purposes 1 Pathway

English for Academic Purposes 2 Pathway

Accommodation

For more information on accommodation options.

There are a range of accommodation options available for students when they come to study with us at Murdoch College, from on campus at Murdoch University Village, to independent rental or Australian Homestay. There's something for everyone.

1 On-campus Student Village

Enjoy the complete student experience by living on campus at Murdoch University. With easy access to classes and university facilities you'll have the opportunity to make friends in a fun environment where you will be encouraged to live, learn and grow. The Village also has direct access to public transport and a range of local shops, so nothing is ever too far away.

2 Shared or privately rented accommodation

If you want to live off-campus you have the option of renting a single room in a house or apartment that is occupied by several other people, or you can take on an entire lease for a single property yourself. In a share house you will have your own room, but amenities such as kitchens and bathrooms will generally be shared with your housemates. Shared accommodation is a great option if you don't want to live by yourself and you want to make friends with both local and international students.

3 Homestay

Homestay is a great option if you are looking to experience Australian culture and adapt to living and learning within a secure environment. You will be placed with a local host family who will welcome you into their home. Here you will benefit from a supportive family environment where English is the primary language spoken, allowing you to practice everyday conversation.

If you are under 18 you need to follow specific requirements about where you can live and who you can live with before you can get a student visa.

For more information about accommodation options, please contact us or visit murdoch.edu.au/study/international-students/life-in-perth/accommodation

How to Apply

International students can apply to study through a Murdoch College agent or directly via our application form. Follow these easy steps to secure your place with us.

For the full list of entry requirements, please visit murdochcollege.edu.au

Step 1

Download and complete the **Application Form** at murdochcollege.edu.au/how_to_apply.html.

Step 2

Please supply us with copies of the following:

- Academic qualifications
- English proficiency document
- Passport

Step 3

Send your completed application form and certified documents via email to admissions@murdochcollege.edu.au

Step 4

Application review. We will review your submitted application and supporting documents. If they are accepted, you will receive an **Offer of Admission to study**.

Step 5

Accept your offer. To proceed with your enrolment you will need to:

- Login to the Applicant Portal kaplink.kaplan.edu.au
- **Submit the evidence** required to meet the condition(s) outlined in the Offer (if applicable)
- **Carefully read your Offer** including **Terms and Conditions**
- **Accept the Offer** and complete the payment in the Applicant Portal kaplink.kaplan.edu.au

Find our Application Forms and the list of our overseas representatives.

Scholarships

Murdoch College is proud to offer our students from around the world a range of scholarships in 2024. Students who successfully complete certain courses with Murdoch College will be eligible for a Welcome Back International Scholarship for the duration of their university course.

To find out more about scholarships and your eligibility, please email us at info@murdochcollege.edu.au or visit our website murdochcollege.edu.au/scholarships.html
