SUPERCHARGE YOUR CAREER

ON-CAMPUS AND ONLINE POSTGRADUATE STUDY

For students wishing to study at an advanced professional and applied level, EIT | Te Pūkenga offers a range of postgraduate programmes in the fields of viticulture and wine science, computing, business, creative practice, nursing, health science and education. Our postgraduate programmes enable experienced individuals to build on their existing knowledge and skills to take back into the work place and advance their careers.

Many of our postgraduate programmes give you the option to study either on-campus here in New Zealand or online from wherever you are in the world.

Online study allows you to learn at your own pace to fit in with your work and lifestyle. Our online programmes feature a hands-on, engaging approach to learning along with the support you need to succeed. You can study your Master's Degree programme fully online

or start your study online and pathway to on-campus study when you are able to travel to New Zealand.

In business, computing, health science and wine business, we offer a suite of programmes at Postgraduate Certificate, Postgraduate Diploma and Master's Degree levels. These programmes provide the flexibility of online study to help you to stay inspired, motivated and up-to-date with industry trends.

Whether you choose to study on-campus or online, you can be confident in the quality of our teaching at EIT | Te Pūkenga and our commitment to provide you with a rich and rewarding research-informed learning experience. EIT | Te Pūkenga is highly regarded in New Zealand for research excellence due to the quality of our community-centred research, our publications and our external grant income provided by funding institutions who have confidence in our research capability. This means that your lecturers use the latest knowledge and research in their field of expertise to inform their teaching, and many are at the forefront of knowledge creation within their discipline.

KICK-START YOUR LEARNING WITH US

UNDERGRADUATE STUDY OPTIONS

EIT | Te Pūkenga opens up a world of learning to prepare you for a rewarding career. We have a range of programmes to suit you, including qualifications at Bachelor's Degree and Graduate Diploma level.

Our Bachelor's Degrees are designed with programme content that is up to speed and relevant to associated industries. Gain the benefit of EIT | Te Pūkenga's long-established connections with industry and the support to help you develop relevant work skills along with the practical experience you need for the future. If you'd like the opportunity to widen your knowledge and understanding in fields of study outside of your primary subject areas, degree electives are a great option.

Completing your undergraduate study at EIT | Te Pūkenga will help set you up for a career in the field that you're passionate about. We offer programmes across a range of subject areas including business, computing, creative studies, hospitality, nursing and health science, and viticulture and wine science. EIT | Te Pūkenga's School of Viticulture and Wine Science is located in Hawke's Bay, which is the most diverse wine growing region in New Zealand.

At EIT | Te Pūkenga, we're proud to drive excellence by providing applied learning that supports real-world employability. A recent highlight includes EIT | Te Pūkenga being selected to host the New Zealand Food and Fibre Centre of Vocational Excellence (CoVE). This is designed to support innovation and excellence in vocational education in areas including hospitality and viticulture and wine science by strengthening links between industry, the vocational education sector, leading researchers and communities.

PREPARING YOU FOR A WORLD-CLASS CAREER

The EIT | Te Pūkenga academic portfolio has been developed to meet global industry needs. Our wide range of programmes is delivered through applied learning by expert lecturers and supported by hands-on industry experience.

INDUSTRY ENGAGEMENT TO ENHANCE EMPLOYABILITY

Our mission at EIT | Te Pūkenga is to prepare students like you for real jobs in the real world. We've designed our programmes with employability embedded directly into course content. From internships to work placements and industry-generated business projects, our students benefit from work-integrated learning that sets them up for the workplace.

The value we place on our industry partnerships is shown by the calibre of guest presenters we're able to provide for our student sessions, along with access to the latest research on trends and development through our membership of relevant industry associations.

Industry experiences are offered across all our programmes, for example:

- Business and computing students make site visits to our industry partners, attend symposia, and work alongside some of New Zealand's most exciting and fast-growing technology businesses
- Viticulture and wine science students learn in an onsite vineyard and winery, sensory room and state-of-the-art laboratories.
- Nursing students are hands-on from day one with more than 1,000 hours of practical experience alongside a diverse range of health professionals.

EIT | Te Pūkenga supports a wide range of career options so whatever you choose to study with us, you'll benefit from our commitment to providing the skills that are in demand in New Zealand and around the world.

"The lecturers are awesome and we learn something new every day. They work hard to teach us their knowledge as well as making the programme interesting. We are supported to give our very best to help others and reach our own goals."

Tino Savea

STRENGTH IN PROFESSIONAL APPLIED LEARNING

Employers want people who have practical skills, can solve problems and develop new ideas. Our lecturers are dedicated to supporting students to gain the skills, experience and confidence to build successful world-class careers in their chosen fields.

EIT | Te Pūkenga recognises the ever-changing needs of global industry and modern business. The programmes we offer have been developed by working closely with employers and industry leaders. Programmes are reviewed continuously and updated to reflect industry trends and employer requirements. This means that students like you leave EIT | Te Pūkenga equipped with the qualifications and skills that are in demand throughout the world.

We support our students throughout their learning with workshops, career guidance, orientation and more. Seminars, small group tutorials and individual consultations provide a deep understanding of workplace behaviours, cultures and expectations. We're behind our students one hundred percent to ensure they leave EIT | Te Pūkenga with the confidence to launch their global careers.

FURTHER INFORMATION

TE PŪKENGĀ - NEW ZEALAND INSTITUTE OF SKILLS AND TECHNOLOGY

Te Pūkenga brings together New Zealand's 16 government owned Institutes of Technology and Polytechnics (ITPs) and nine Industry Training Organisations (ITOs) to create a national network.

Enrolling with us for study in 2023 means you will receive a qualification from Aotearoa New Zealand's largest education provider, Te Pūkenga - New Zealand Institute of Skills and Technology.

Te Pūkenga is focused on creating a high-value future for students and Aotearoa New Zealand through outstanding international education, global connectedness, providing excellent education outcomes, improving student experience and well-being and putting the student learner at the centre of everything we do.

IMMIGRATION AND INSURANCE

This section contains important information about immigration, insurance and the policy governing international student welfare.

IMMIGRATION

New Zealand Immigration Service requires a student to have up to NZ\$20,000 in their bank account to cover living costs for one year of study, plus a return ticket to their home country.

Full details of visa requirements, advice on employment rights in New Zealand while studying, living costs and reporting requirements are available through the New Zealand Immigration Service and can be viewed on its website at www.immigration.govt.nz.

MEDICAL AND TRAVEL INSURANCE

International students must have appropriate and current medical and travel insurance from the time they leave home until the expiration of their student visa. EIT | Te Pūkenga can organise insurance for you with our preferred provider Studentsafe Insurance (www.insurancesafenz.com/studentsafe) brought to you by Marsh/Allianz. There is no insurance application paperwork to complete unless you have pre-existing medical conditions. Insurance fees are included in the invoice along with tuition fees.

Students should contact our Registry team as soon as possible if they decide to organise their own insurance as all insurance policies must meet a minimum standard of care and cover for Immigration New Zealand and Code of Practice requirements.

Most international students are not entitled to publicly funded health services while in New Zealand. International students may be liable to pay the full costs of medical treatment in New Zealand. Full details on entitlements to publicly funded health services are available through the Ministry of Health and can be viewed on its website at www.moh.govt.nz. Students who do not choose EIT | Te Pūkenga's insurance must show evidence of insurance prior to departure from their home country to be able to enrol.

ACCIDENT INSURANCE

The Accident Compensation Corporation (ACC) provides accident insurance for all New Zealand citizens, residents and temporary visitors to New Zealand, but visitors to New Zealand may still be liable for all other medical and related costs. Further information can be viewed on the ACC website at www.acc.co.nz.

CODE OF PRACTICE

EIT | Te Pūkenga observes and is bound by the Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021 administered by the New Zealand Qualifications Authority (NZQA). The Code is a document that provides a framework of outcomes for educational providers and their agents to deliver for their international students. The purpose of the Code is to ensure high-quality pastoral care is delivered to all tertiary and international learners studying at New Zealand institutes.

The Code provides both required outcomes for tertiary and international learners and key processes to support their well-being, achievement and rights. The Code applies to pastoral care and provision of information only, and not to academic standards.

Copies of the Code are available on the NZQA website at www.nzqa.govt.nz.

Please note:

A student's application to study at EIT | Te Pūkenga is the initiation of a contract with EIT | Te Pūkenga. The Offer of Place issued to the student is EIT | Te Pūkenga's acceptance of the contract. The payment of fees by the student indicates the student's acceptance of the contract.

ACADEMIC ENTRY CRITERIA

The minimum academic requirements for entry into our programmes can be viewed on the Programme Information sheets available on the website at: www.eit.ac.nz/campus/international-students/international-programmes

If you have any questions about EIT | Te Pūkenga's recognition of qualifications from your country, contact EIT | Te Pūkenga International or your agent.

ENGLISH LANGUAGE REQUIREMENTS

Below is a guide to the minimum English language requirements that qualify a student for enrolment at each programme level. EIT | TE PŪKENG STUDENT VILLAGE NAPIER

The EIT | Te Pūkenga Student Village (SV) is a self-catering complex of 12 villas housing six students in each, and on-site managers providing 24-hour support for resident students. The SV is located opposite the EIT | Te Pūkenga Napier campus, next to the Sports Centre and bus stop.

Students will be required to pay a one-off \$400 deposit plus 10 weeks' rent in advance and sign a contract with the SV for a minimum of one semester (20 weeks).

HOMESTAY

We strongly recommend English language students apply for homestay accommodation. Our homestay families provide a warm and welcoming environment by giving students their own room and food for meals. They offer students the opportunity to assimilate into the New Zealand way of life by becoming part of a local family. All of our homestay families are carefully selected and supervised. They have been vetted by police and EIT | Te Pūkenga staff.

FLATTING

The Flats on York and Gloucester are self-catering complexes of 11 units with 2 bedrooms in each flat. These are ideal for students who want flexibility and independence, or those with partners.

BOARDING ACCOMMODATION

Students are welcome to arrange their own private accommodation. Rent ranges from \$150-\$250 per week depending on the location and if utilities are included. Please check the accommodation information, which will be sent to students who are accepted to study with us at EIT | Te Pūkenga.

THE LIME TREE

The Lime Tree offers a new, modern student lifestyle. It has a mix of spacious, comfortable single and twin share rooms with separate well-appointed bathrooms and open study areas.

www.thelimetree.nz

AUCKLAND

There are many different types of accommodation available for international students in Auckland. EIT | Te Pūkenga Auckland has identified two accommodation options that may be suitable for students: homestay with a New Zealand family or flatting at one of our partner apartment complexes.

HOMESTAY

A homestay offers students a chance to stay in a house with a New Zealand family. It provides a warm and caring environment and is a great opportunity to learn about Kiwi culture. Locations vary within the wider Auckland region. Bookings are arranged through a homestay company, Host Families NZ.

www.hostfamilies.co.nz

APARTMENT COMPLEX

A popular option for apartment-style accommodation is the Empire Student Apartment Complex. Empire provides a safe, secure, friendly, and comfortable living environment. Contact EIT | Te Pūkenga Auckland for bookings.

www.empireapartment.co.nz

GISBORNE

Students can choose to stay with a homestay family or in private accommodation. Staff at EIT | Te Pūkenga will help with the arrangements for your accommodation including pickup for you at Gisborne Airport free of charge. Please indicate on your application form your requirements and staff at EIT | Te Pūkenga Gisborne will contact you directly to discuss the arrangements.

Please note: There is no Student Village complex on our Gisborne campus.

For more accommodation options please visit : www.eit.ac.nz/auckland

Our staff can help with the arrangements for your accommodation: accommodationak@eit.ac.nz

SUPPORT SERVICES

The availability of support services and facilities below is indicated for each of the three campuses in  Napier,  Auckland and  Gisborne.

FACILITIES

- Free Wi-Fi   
- Cafés  
- Gym and sports arena 
- Muslim prayer room 
- Bookshop 
- Library  
- Medical clinic 
- Computer labs   

INTERNATIONAL STUDENT SUPPORT TEAM

The International Student Support Team is the main support for all international students before they arrive and once they are on-campus and living in New Zealand.

The International Student Support Team is available for all questions, concerns or troubles, providing confidential and non-judgemental support, including a 24-7 emergency contact person.

Support is available for information on banking, driving in New Zealand, sexual health, homesickness and culture shock, travel in New Zealand and insurance – basically any question students may have about study and life in New Zealand.

The International Student Support Team also provides an accommodation placement service.

INTERNATIONAL STUDENT MENTORS

Academic Mentors are available to support and assist international students in their studies. At the start of the semester, students will meet an International Mentor who will support them with any academic issues throughout the year.

INTERNATIONAL STUDENT PEER MENTORS AND REPRESENTATIVES

International students are also further supported by our student Peer Mentors and Student Representatives at the Napier and Auckland campuses.

INTERNATIONAL STUDENT ENROLMENT OFFICERS

Our Enrolment Officers provide dedicated support to EIT | Te Pūkenga students through the process of student visa extensions, variation of conditions for work and study and post-study work visas. Students can contact an International Student Enrolment Officer at visas@eit.ac.nz.

ACADEMIC LEARNING SERVICES

Academic Learning Services assist students throughout their study by providing free one-on-one support; for example, in regards to study planning, computing, academic writing, learning, exam techniques and mathematical and study skills.

Disability Support Services and a Chaplaincy Team are also available if students require further support.

CAREER DEVELOPMENT SERVICES

EIT | Te Pūkenga provides free one-to-one counselling on employment in New Zealand. Our specialised Careers Counsellors will help students in the following ways:

- Develop skills and knowledge to plan and manage their careers
- Provide information relating to the job market
- Provide information on job search strategies
- Assist with the preparation of job applications, including assisting with writing a CV and covering letter and completing online job applications
- Develop interview techniques

EIT | Te Pūkenga also has a dedicated Industry Partnerships Manager based at our Auckland campus. The Industry Partnerships Manager works closely with students to enhance their employability through interactive workshops, specialised employment coaching, visits to workplaces and providing in-depth industry research support.

ACADEMIC INQUIRY COURSE

EIT | Te Pūkenga offers a **free** essential academic skills course to assist students transition into graduate level study. This is available at the start of your programme.

Key skills covered:

- Academic integrity
- Research skills, paraphrasing and referencing
- Critical reading, evaluation and analysis
- Team work
- Written and oral communication

The course is delivered across disciplines. It provides a great opportunity to meet students on other programmes, both domestic and international.

Evidence shows that students who have taken this course find it easier to transition to the New Zealand learning environment and achieve greater academic success.

For more information, contact international@eit.ac.nz.

EIT | TE PŪKENGA STUDENTS ASSOCIATION (YOUNITED)

At the Napier campus, EIT | Te Pūkenga Students Association (Younited) runs a variety of student events throughout the year to assist students to get to know each other and become part of the EIT | Te Pūkenga campus community. Younited introduces students onto the campus each year during orientation (O Week) at the start of semesters one and two, which includes activities such as student games, live music, information stalls and free lunches. During the year, Younited will also offer students a range of activities both on and off campus. These include cultural celebrations, inter-school quiz events and sports days.

EXPERIENCES*

ORIENTATION

Orientation ensures all students have the right information in order to succeed in their study and enjoy their new adventure in New Zealand. Students participate in a fun interactive race in teams with their peers to learn about life in New Zealand and at EIT | Te Pūkenga. It is a great start to joining the EIT | Te Pūkenga community and learning about the New Zealand education system.

NAPIER

DAY IN THE BAY

All new international students are invited to the Day in the Bay event on the second weekend of the new semester. This is an outing where students are taken all over Hawke's Bay to see the sights and enjoy lunch, ice cream on the beach and a wine tasting!

ANNUAL INTERNATIONAL CELEBRATION

An event is held every year for all of our international students to celebrate and share their cultures.

COMMUNITY CONNECT

Community Connect runs twice a year and helps our students to network and connect to the wider Hawke's Bay community. We invite over thirty different community groups including ethnic and cultural groups, volunteer organisations and agencies that can help and give advice to our students and their partners.

WE ALSO CELEBRATE

- Taste of Cultures Day
- International Cultures Day
- Matariki (New Zealand Māori celebration)
- Diwali
- Chinese New Year

GISBORNE

There is a full calendar of events available to both international and domestic students.

KEY EVENTS INCLUDE:

- Orientation Week
- Clash of the Courses (campus-wide sporting event)
- Whānau Day

AUCKLAND

SETTLING IN MONTH

The orientation experience at the Auckland campus is extended across five weeks to cover important topics such as social connections, academic support, wellbeing and employment.

INDUSTRY ENGAGEMENT EVENING

EIT | Te Pūkenga international graduates have the opportunity to showcase their capabilities and network with employers. EIT has developed mutually beneficial relationships with local business partners, enabling the students to present their project work to the employers.

SOCIAL EVENTS

Sports day, table tennis, Kiwi Christmas, marae visits, board games and shared lunches.

ONLINE EVENTS

VIRTUAL COFFEE AND CHAT

These regular sessions create a space for online and on-campus students to connect with each other and EIT | Te Pūkenga staff in an informal way.

SPEECHMASTERS

The SpeechMasters programme is designed for EIT | Te Pūkenga students to develop their competence in public speaking and improve their presentation skills in a safe and friendly environment.

WORKSHOPS

Students are encouraged to attend a range of engaging and informative online events including:

- Settling In Sessions
- Employment in New Zealand
- NZ and Māori Culture
- Study Tips
- Time Management

* The events listed are subject to sufficient student numbers per campus.

FEES EXPLAINED

TUITION FEES

Our programme tuition fees are outlined with the corresponding programme information on pages 5 and 7. The tuition fees listed are for programmes starting between 1 January and 30 June, 2023.

Please note:

- The tuition fees listed are annual fees unless otherwise stated.
- Tuition fees include Goods and Services Tax (GST).
- Some programmes may have additional course-related costs. Please check individual programme information on our website for course-related costs not included in the tuition fees.
- English Language additional costs: e.g. IELTS exam entry fees.
- International tuition fees are reviewed each year. If a student is accepted into a programme of study that is longer than one year in duration, the fees in the second and subsequent years will not be known when the student first applies and enrolls. There may be a slight increase.
- EIT | Te Pūkenga reserves the right to increase tuition fees for the subsequent semester/year. We aim to inform students what the tuition fees for subsequent years are prior to enrolment for their subsequent semester/year.

Disclaimer: All information in this publication pertains to international students, and is correct at the time of publication but is subject to change without notice. The programme fees, other costs, entry requirements, duration and programme start dates are for January - June, 2023 and are listed as a guide only. Conditions apply. All fees shown in this publication are in New Zealand dollars and include Goods and Services Tax (GST) at current rates. Programme content is based on current information and may be subject to change. Te Pūkenga – New Zealand Institute of Skills and Technology trading as EIT reserves the right to cancel or postpone any programme or course for any reason and shall not be liable for any claim other than that proportion of the programme fee which the cancelled or postponed portion bears. Programmes or courses may be subject to review as part of the Reform of Vocational Education and Training.

OTHER FEES

STUDENT SERVICES LEVY

All students also pay a Student Services Levy. This covers student services provided to all EIT | Te Pūkenga students, such as sport, recreation and cultural activities, student advocacy etc. The Student Services Levy is \$354.00 for the full academic year.

Students who are only studying for a portion of an academic year will be charged the Student Services Levy on a pro-rata basis. The Student Services Levy will be identified in your invoice.

TEXTBOOKS AND STATIONERY

Textbooks and stationery may be required for specific programmes. If required, students will receive a textbook list once they enrol in their courses and depending on the programme, textbooks can cost between \$500 and \$1,000 per semester. For programmes that do not require students to purchase any specific textbooks, New Zealand-specific content will be provided on the online study platform, EIT | Te Pūkenga Online.

EIT | TE PŪKENGA INTERNATIONAL STUDENT REFUND POLICY

For full details on our refund policy for international students, please see our website www.eit.ac.nz/internationalstudents/policies/

LIVING COSTS

The cost of living in Napier and Gisborne is generally cheaper than the larger cities in New Zealand. Students will need to budget their weekly expenses. Students may spend more or less depending on their individual circumstances, but EIT | Te Pūkenga staff members are also available to assist with budgeting information. It may take some time to secure a part-time job (if students are eligible to work in New Zealand), therefore it is important for students to have enough funds to cover living expenses for several months.

FREE FOR OUR INTERNATIONAL STUDENTS

- Airport pickup from Napier or Gisborne (depending on campus of study). This service is for international students who move into homestay or other EIT | Te Pūkenga arranged accommodation.
- Orientation programmes are run at key entry points and are mandatory for all newly enrolling international students.
- Social events are scheduled throughout the academic year.
- Employment workshops are provided by the Career Development Service to help students find work.
- Our team provides placement in EIT | Te Pūkenga-managed accommodation for those students who apply for this service. No application fee.

We will assess your application and let you know the outcome as soon as possible, usually within three to five working days.

ON-CAMPUS STUDY IN NEW ZEALAND

1 PAY YOUR FEES

After submitting your application, you will receive an Offer of Place by email with details of your tuition and other fees payable.

Please note: If you have applied using the services of an agent, a copy of this information will also be sent to your agent.

Pay your fees and apply for your student visa. We will send you a receipt, which you will need when you apply for your student visa.

We recommend you apply at least eight weeks before your intended start date. You can apply online at www.immigration.govt.nz.

If you have any questions about the process, email visas@eit.ac.nz.

2 PREPARE TO COME TO NEW ZEALAND

- ✓ Book your flights.

When your student visa is approved, book your flights and ensure you meet all government-mandated entry requirements to come to New Zealand. Check the Immigration New Zealand website for the most up-to-date information.

- ✓ Organise your accommodation.

If you haven't already organised your accommodation, you should now decide which of the accommodation options is most suitable for you (see page 20 for more information).

3 CONNECT WITH US

- ✓ Be sure to complete and submit the arrival form sent to you by the International Student Support Officer.

Your International Student Support Officer will contact you prior to the start of your programme to let you know what you need to do and keep you up to date on what to expect when you arrive.

ONLINE STUDY

1 ENROL

After submitting your application, you will receive your acceptance into the programme by email alongside instructions on how to enrol.

Complete and sign the enrolment form provided to you by our Admissions Team and send it back to internationalapplications@eit.ac.nz.

Please note: If you have applied using the services of an agent, a copy of this information will also be sent to your agent.

2 CHOOSE YOUR COURSES AND PAY YOUR FEES

Your course selection form will be sent to you by our team.

After completing your course selection form, you will be sent an invoice. You can then pay your fees by bank transfer to EIT | Te Pūkenga's account. Full account details and payment information will be provided, on your invoice.

3 CONNECT WITH US

Your International Student Support Officer will contact you after you enrol to keep you up-to-date with anything you need to know, including details about your Orientation, where you will meet your classmates and all about studying at EIT | Te Pūkenga.

Whether you join us on-campus or online, we welcome you to the EIT | Te Pūkenga student community!
If you need any help you can contact our friendly staff at international@eit.ac.nz.
