LAST UPDATED

WELCOME!

After the worldwide challenges of the last year we are delighted to be back to what we do best at Stafford House - educating, inspiring and empowering our students through a varied course offering and high quality English curriculum. This year we have some exciting additions to our courses and we can't wait to welcome you to one of our great UK locations in 2022!

Carl Robertson, General Manager

Rest assured we have kept ourselves busy over the last year! It is our continual goal to evolve our courses and teaching methods to offer our students English lessons that capture the imagination and fuel learning long after they have left us. This year we are excited to announce that we have partnered with Macmillan Education to introduce our new digital curriculum, that will be a more convenient, intuitive and engaging way to learn English (see page 14).

We are also pleased to introduce the 2 week Professional Certificate to London in 2022 (page 25). This new option will offer students greater flexibility in the way they can approach our skills-focused professional courses in Marketing, Business Management and Project Management. Another new addition to our Professional Certificate range is the Bloomberg Market Concepts course. Run in conjunction with CATS College London - the only school in Europe with access to the Bloomberg terminals used by the finance sector worldwide - this course will help students gain a competitive edge in business, finance and economics (see page 26).

In 2022 our focus will be on offering the best possible student experience, both academically and pastorally by concentrating on our UK centres. Cambridge, Canterbury and London are all iconic UK cities, renowned for their student focus. Each school is co-located with our sister school CATS Colleges, so access to canteens, cafes and residential accommodation is close at hand.

See page 27 for more details.

OUR CENTRES

WE CARE

STUDENT SAFETY HAS ALWAYS BEEN A PRIORITY AT STAFFORD HOUSE AND WE UNDERSTAND THAT IT IS EVEN MORE IMPORTANT NOW. WE HAVE BEEN HARD AT WORK TO MAKE CERTAIN THAT WE ARE EQUIPPED TO RUN OUR COURSES IN A SAFE AND SECURE ENVIRONMENT.

OUR PLEDGE*

To make our school communities as safe as possible we have implemented our WeCare pledge. This set of stringent health and safety guidelines will ensure that our students can fully enjoy their experience with us while being confident that they are in the safest possible environment.

We have put in place a number of practical procedures that will help protect our students from the moment they arrive at their destination of choice.

YOUR ARRIVAL

If requested we will provide students with a safe transfer from the airport. Our drivers have received COVID-19 health and safety training and all vehicles will be fully sanitized prior to pickup to ensure student safety.

We have implemented daily temperature checks using infrared technology at all of our schools for both staff and students. Hand sanitiser gel will be freely available throughout our schools and students will be shown where they can find it at induction and encouraged to use it frequently.

YOUR SCHOOL

To create a safe and productive school environment class sizes may vary, with

smaller class sizes and staggered class start times implemented if local conditions require it for the safety and security of students.

All schools have implemented an increased cleaning regime, with classrooms and communal areas undergoing cleaning during the course of the school day. We currently limit outside visitors to our schools and accommodation and there are special procedures for deliveries.

We know that a rich part of the Stafford House experience is taking part in our extensive activities and excursions programme. To maintain this, each has undergone a thorough risk assessment and where necessary we offer an online alternative.

STUDENT SERVICES TEAM

Our on-site student services team will monitor the wellbeing of our students. They have long-established relationships with local doctors

and healthcare advisers, which are based at medical practices within a short distance of each school.

Students will receive a health and safety briefing during their first day induction and all our staff are fully trained in relation to COVID-19. Based on current guidelines locally at the time of arrival, students will be informed if they are required to wear a mask in school or elsewhere in their chosen city location.

QUARANTINE

If quarantine measures are required at any time, we will help students to isolate safely in their accommodation and assist with making them comfortable.

We will provide an online induction before face-to-face classes and activities begin, giving students the opportunity to learn more about the school and start making friends.

STUDENT CARE

If students display symptoms of COVID-19, we will isolate them safely in their accommodation, and facilitate ongoing self-study with our digital materials. We will conduct regular welfare check-ins until they are ready to return to class. We will assist with local healthcare appointments.

If a class or student is required to quarantine due to a COVID-19 outbreak we will provide online classes so they can continue their studies with minimal disruption, until it is safe to return to face-to-face learning.

GOVERNMENT GUIDELINES

We appreciate that government guidance around COVID-19 is constantly changing and evolving and we will adhere closely to the guidelines set out in England.

*All information is correct at the time of publishing. Please refer to our [COVID-19 guidance webpage](#) for any updates to WeCare throughout 2022.

STUDENT WELFARE

Our friendly, professional and well-trained teams of Student Services Officers are onsite to ensure that our students are supported in all aspects of school life. They will be on hand to provide help with our new school hygiene procedures, take students' temperatures, supply masks where needed and will be able to assist if a student requires a visit to the nurse or doctor's appointment.

They are always available to make life easier for our students, provide up-to-date information and assist with any queries or problems.

ACCOMMODATION

WHETHER YOU PREFER THE INDEPENDENCE OF A STUDENT RESIDENCE OR THE FAMILIARITY OF HOMESTAY, OUR ACCOMMODATION OPTIONS ARE CHOSEN TO OFFER YOU THE FLEXIBILITY OF CHOICE AND QUALITY YOU DESERVE.

RESIDENTIAL ACCOMMODATION

Offering you more space to yourself, our hand-picked student residences provide the chance to live more independently with like-minded people from all over the world. Residences are modern and often include 24 hour reception, laundry facilities, bike storage, common room, and internet access, conveniently located for easy access to school.

16/17 YEAR OLD SUMMER RESIDENCE

We offer fully supervised residences for 16 & 17 year olds in July and August. They come with full board catering and a range of activities suitable for students under 18. The residences include breakfast, lunch and dinner at Stafford House canteens and live-in residential supervisors. This is a great alternative to homestay for students under 18.

STUDENT HOUSESHARES

Share a home with other students! You will live with other students but on a smaller scale than in a residence, allowing you to build lasting friendships with your house mates. Twin and single room options are available. The Student Houses are fully furnished and equipped for self-catering. Student houseshares are available at our London school.

HOMESTAY*

One of our most popular accommodation options, homestay allows you to integrate into local life and practise your English language outside the classroom, over dinner and throughout the weekend with your welcoming hosts. This is a unique way to live and study at your chosen destination.

SUPERIOR HOMESTAY

This option offers you all the benefits of homestay, but with the comfort and convenience of a personal bathroom and a higher standard of accommodation.

PRIVATE OPTIONS

As all of our schools are in popular student cities, there is a wealth of private accommodation to rent, to suit all requirements and budgets. Our staff are always on hand and will be happy to help.

A HELPING HAND

Every school has a dedicated Student Services Team, whose job it is to aid students with any accommodation issues or queries they may have. We know how important the living environment can be to productivity and will assist in helping our students find the accommodation that is perfect for them.

*All London and some Cambridge and Canterbury homestay accommodation is provided by third party agencies.

WHAT ARE YOUR LEARNING GOALS?

WHATEVER YOUR GOALS ARE, STAFFORD HOUSE CAN HELP YOU ACHIEVE THEM, AND GENERAL ENGLISH IS ALWAYS THE STARTING POINT.

OBJECTIVES

Our core General English class is an integrated skills class, covering reading, writing, speaking, listening, grammar and vocabulary. Our focus is on developing students' English skills for real communication.

Our General English programme is truly interactive and engaging. How much your English improves depends on how much you practise and study. Going to class, completing homework, doing private study, and taking part in our exciting social programme as much as

possible will help you achieve your goals as quickly as possible, while having fun!

FLEXIBILITY

Study for 20, 25 or 30 lessons per week. Choose from our range of modules to personalise your programme to fit your needs.

HOW YOU LEARN

Our teachers use a range of techniques that keep students motivated and build confidence. Any weekly programme is influenced not only by the coursebook and syllabus but also by the individual learning goals and interests of the students.

PLACEMENT TEST

On or before your first day you will be given a language test, to assess your knowledge of

grammar and vocabulary and how well you are able to understand and speak English, so we can put you in the right class.

MONTHLY TUTORIALS

Every month you'll have a one-to-one tutorial with senior academic staff, where you can review course choices and learning methods, and make sure you are on track to reach your goals and fulfil your potential.

MAKING PROGRESS

From the first day, students make progress in English by using the language in meaningful ways. New language is practised and mastered in the classroom, enabling students to communicate outside of school more confidently, accurately, and effectively. Our teachers act as coaches and facilitators, clarifying concepts, correcting errors in

students' speaking and writing, and pushing everyone to participate to the maximum of their ability.

DEVELOP YOUR ENGLISH

Each week you will be encouraged to consider your own development and suggest areas that will help you develop most quickly. Your teacher will take your suggestions and use them with the syllabus to create lessons for your class that work for you.

LEARNER AUTONOMY

We help every student at Stafford House continue their study outside the classroom and when they return home. We help you to use English-English dictionaries. We help you to organise how you record new vocabulary. Our teachers will show how to organise your notes and how to research topics on the internet. We also help you in your monthly tutorials. When you leave Stafford House we want you to continue to improve your English and we want to show you how to do this.

OUR GENERAL ENGLISH COURSES:

- Focus on developing practical and functional skills, rather than just learning grammar or vocabulary.
- Engage students in practical tasks that relate to or simulate real-world English.
- Prioritise meaningful, communicative language over traditional exercises.
- Support a skills-based approach through ongoing assessments and tests.
- Encourage students to develop an awareness of their own strengths and weaknesses.
- Encourage students to reflect on their own progress and set goals for their improvement.

CAMBRIDGE EXAM PREPARATION

CAMBRIDGE ENGLISH EXAMS ARE RECOGNISED BY SCHOOLS, UNIVERSITIES AND EMPLOYERS WORLDWIDE.

THE CAMBRIDGE SUITE OF EXAMS, PART OF THE UNIVERSITY OF CAMBRIDGE, ARE BASED ON DECADES OF UNRIVALLED RESEARCH IN ENGLISH LANGUAGE LEARNING, TEACHING AND ASSESSMENT.

They are recognised globally by schools, universities and employers and never expire (so you don't have to take them again in two years' time).

Unlike IELTS, the Cambridge Suite exams are proficiency tests. This means that you must take the right test for your level. Because of this, the preparation you do for these exams really helps you improve your English, as it is aimed specifically at your level. Stafford House is an approved testing centre for Cambridge Suite exams at all of our centres. This means you can book and take your exams in the same place you have your lessons, which should reduce exam anxiety and help you perform better.

CAMBRIDGE ENGLISH FIRST / B2 FIRST

This is the most popular exam in the Cambridge Suite, and it demonstrates that you can use everyday written and spoken English independently for work or study purposes.

CAMBRIDGE ENGLISH ADVANCED / C1 ADVANCED

This advanced level exam is accepted by more than 6000 education institutions, employers and government departments world wide. It shows you have reached a high level of English.

CAMBRIDGE ENGLISH PROFICIENCY / C2 PROFICIENCY

This qualification demonstrates that you have mastered the English language and speak it exceptionally well, with high levels of fluency and sophistication.

OUR GLOBAL COMMUNITY

STAFFORD HOUSE IS PROUD TO SUPPORT ORGANISATIONS THAT HELP LESS PRIVILEGED, MARGINALISED AND VULNERABLE PEOPLE ACROSS OUR GLOBAL COMMUNITY GAIN ACCESS TO EDUCATION.

WE BELIEVE EDUCATION IS A RIGHT FOR ALL AND CURRENTLY SUPPORT THE INSPIRING WORK OF UNITED WORLD SCHOOLS, BY RAISING FUNDS FOR THE RUNNING OF THE NGANG SOM THOM SCHOOL IN CAMBODIA.

We also support the vital work done by RefuAid by providing English courses to refugees and asylum-seekers in the UK.

OUR WORK WITH UWS

Since partnering with UWS our staff and students have consistently exceeded raising the funds needed to cover the running costs of our sponsored school. We've sent employees from across our centres to visit the Ngang Som Thom school twice, where they helped to teach lessons, got to know the students, and learnt all about the

important work UWS undertakes in a country where many children are beyond the reach of the education system. We plan to send more employees to Cambodia to teach the students, aid the teachers and learn just how valuable education is for all peoples across the globe.

REFUAID

In our London school we have partnered with RefuAid by providing English scholarships for refugees who find themselves in need. So far in our collaboration we have helped inspirational individuals from Syria, Sudan, Darfur and other countries they have been forced to flee, and those students have gone on to BA or MA programmes at UK Universities. It's a partnership that enriches the life of the school, and we are very proud to be able to provide this support to these incredible individuals. By supporting displaced peoples in this way, we not only give them help with their education but also welcome them into our country and into our school communities.

OUR SCHOOL FUNDRAISING EFFORTS:

Here are just a few of the many fundraising events we've held at our schools.

JUST A TRIM

Three of our centre directors have been brave enough to have their heads completely shaven to raise money for our charities!

RECIPE FOR SUCCESS

Our students and staff have held numerous bake sales, bake-offs and cooking competitions to share their national dishes and raise money at the same time.

RUN FOR YOUR MONEY

We have held numerous runs, races and walks for students and staff to join in with and get healthy as they help out.

NO MOUNTAIN HIGH ENOUGH

Some of our teachers have even climbed Mount Snowdon in Wales in an effort to raise money for UWS and other charities.

TAILORED GROUPS

WE DELIVER TAILOR-MADE PACKAGE PROGRAMMES TO GROUPS OF STUDENTS THROUGHOUT THE YEAR, DESIGNING THE PROGRAMME TO ADAPT TO THE NEEDS AND INTERESTS OF EACH GROUP.

TAILORED TO YOUR NEEDS

Whether your group is looking for specialised course content for academic, cultural or professional purposes, we work with you to understand your requirements and objectives, and use that understanding to design a highly effective teaching programme. We welcome groups from a variety of backgrounds and professions, from university students and business executives, to nurses, pilots and teachers. All of our group students share the same teaching facilities as our year round students.

BESPOKE ACTIVITIES

Alongside the course content, we can offer a bespoke calendar of cultural and social activities, meal plans with specific dietary requirements and assistance with particular travel arrangements and accommodation types, ensuring that every aspect of your experience is tailored to your needs and expectations.

Our UK centres can provide group programmes in closed classes for students aged 12+, except in London where the minimum age for groups is 14.

COURSES WE'VE RUN:

Teacher training courses for teachers from all over the world, which include "refresher" General English classes plus "teaching methodology" input sessions.

A two-week Harry Potter themed course, with classes in the mornings followed by Harry Potter-themed Blue Badge guided walks in the afternoons. The highlight of this trip was the visit to Warner Brothers' Studios and the premiere of a new Harry Potter movie.

An exam preparation course for Trinity GESE, Cambridge CAE and IELTS preparation.

A customised technology and startup company experience, including a digital marketing module in the morning with afternoons including various events and tours. This course included visits to the offices of local companies and attending a networking event for 'Angel Investors'.
